About The Cult house

The Cult House is a creative group connecting people in various creative disciplines (arts, craft, design, writing, music and performance) with commercial and social events. The Cult House started its collective on Facebook, Instagram, Twitter, Google+, Pinterest and LinkedIn, presenting daily tips on several art topics and using all of these channels to promote and to get more visibility for artists. The aim of the collective is to boost visibility online as much as possible for the company and more importantly for the artists within the online gallery, maximising all their connections and advertising the artists' profiles as well as important events.
